

EMBEDDED LENDING, SIMPLIFIED

# Deliver fast, flexible financing to your customers

Offer your customers quick, easy access to the working capital they need through eCapital's embedded lending solution. With over 30,000 clients funded, we specialize in tailored financing solutions that improve cash flow, fuel growth, and drive sustainable success.

## Embedded Lending with eCapital

Empower your customers with easy access to the financing they need, seamlessly integrated directly into your existing ecosystem. eCapital's embedded lending platform unlocks working capital your customers need to grow and succeed.

### Fast, flexible funding

Applications take minutes, decisions are fast, and funding is available in as little as 48 hours.

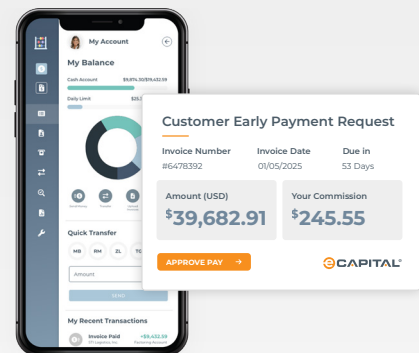

### Scalable financing options

Tailored solutions to meet your customer's diverse needs, with flexible funding options scaling up to \$100M.

### Seamless integration

Our API-first approach ensures easy deployment with no disruption to your platform.

## A smarter way to offer financing

- **Global scale and deep expertise**  
As one of North America's leading specialty lenders, we offer competitive capital costs and customized financing structures for your customers.
- **Comprehensive financing solutions**  
Flexible options to meet both everyday working capital needs and more complex funding scenarios.
- **Effortless experience**  
Your customers can access funding with just a click – no heavy lifting required from your platform.

## Our financing solutions

### Accounts Receivable Financing

Fast, easy access to cash tied up in unpaid invoices.

### Asset-based Lending

Secured loans based on the value of business assets.

### Supply Chain Finance

Flexible solutions to optimize supply chain liquidity.

I can confidently say that my collaboration with eCapital has been the best lending relationship that I have ever dealt with.

**The ability to comprehend our specific needs and provide tailored solutions exceeded my expectations.”**

— Vicky K., CFO, eCapital client

## HOW IT WORKS
